

A truly global health insurance for your global company

Worldwide insurance

Let your employees work from any country they choose, all while keeping their insurance.

For a global workforce

Use the same insurance plan to cover all of your employees, no matter what country they are from.

One plan, one price

Spend less time hassling with insurance by easily adding employees to the same plan under one price.

Insurance highlights

\$1,500,000 coverage limit

Be confident in that your insurance is strong enough to cover even the worst case scenario.

Fast and easy claims

Payment can be arranged directly with the hospital, or through our online claims process for reimbursement within 15 days.

Choose any doctor

Get the care you need with coverage at any public and private hospital worldwide.

Employees				+ Add employee
